

We are a traditional general ship supplier with 19 years of experience in ship's supply activity. We have more than 800 items in our catalogue being able to cover all needs of food/beverages, cabin store, hospitality and more.

We work with several vessels' types such as:

- Cargo vessels
- Cruise vessels
- War ships
- Offshore Tugs/Suppliers
- Local Industry

In addition to our experience in ship chandler services, our firm has distribution logistics experts, with 19 years of experience in the activity, including several projects implemented.

Main costumers that we supplied during those 19 years:

- Ponant
- Costa Cruise
- Spliethoff
- Transpetrol
- Regent
- Oceania Cruises
- Cosco Shipping

We also provide services of repair and maintenance of vessel's engines. Supply of engine parts and technical visits.

We have as main value to do our best and to have happy and satisfied customers, if you give us an opportunity you can be sure that our best will be done.

We are ready to supply at Rio de Janeiro and Itaguaí ports.

Contact us to resolve all doubts as to the supply of goods and services provided by SENNARAFA.
